September Beach Sweep a success...

Beach Sweep, held September 15th, was a great success. Many current and prospective members came out to lend a hand. It took about an hour, but we covered the beach from Station 26 1/2 all the way to Breach Inlet. Find of the day—a sand bag.

Race for the Cure - October 20th

The Lowcountry Affiliate of Susan G. Komen for the Cure is holding the 2007 Race for the Cure on Daniel Island on Saturday October 20th.

This event started as one local 5K (3.1 miles) race, and has grown to be a national series of 110+ races in cities around the nation.

The Race is one of the nation's top 5K races and would not be possible without the 75,000+ volunteers and respective race committees that help put this event together.

We have offered to provide volunteers to help out in order to make this event a success.

For more information,

please contact Craig at cjohnson@southcoastbank.com or the race hotline at (843) 556-3343.

**The lowcountry Affiliate has
more than 400 dedicated
volunteers**
